INTRODUCTION

At Axiom Search Company we believe our success emerges from our dedication to serving our clients and candidates. We understand that strong, lasting relationships are the cornerstones of any successful business and career and are built on trust and respect.

With over 20 years of experience in the staffing and recruitment industry we are dedicated to placing the right people in the right careers.

CORE COMPETENCIES

- Staffing- permanent, contract, and contract-to-hire
- Managed Services
- RPO's
- Analytics Teams
- Business Intelligence Teams

DIFFERENTIATORS

One of Axiom Search Co LLC managing partners has years of experience staffing and building teams for government agencies. He has extensive experience with;

- Background checks and finger printing
- Drug screens
- Security clearance requirements
- On-site and remote offices
- Secure networks

Plus being Veterans ourselves, we understand the value of helping our fellows veterans build careers using their skills and work ethic applied to the private sector.
